I hope you enjoyed Chapter 14 of "I Am A Killer Maid"!

Honestly, It's strange to think that 2 months ago, I literally knew nothing about scanlating, and now I've translated 100+ chapters from Chinese into English.

That being said, being a solo scanlator isn't the easiest thing. It's easy to get discouraged and its rather lonely work at times.

So, if you have a minute or two, do drop me a message! It helps more than you think.
